PUBLIC NOTICE

CITY OF NEW HOME

TEXAS COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM The City of New Home is giving notice of the City's intent to submit Texas Community Development Block Grant Program grant application for a Community Development Fund grant request of \$750,000. The proposed project includes infrastructure improvements within two priority service areas: (1) from the intersection of Bull Run and North Main Street west to Hiracheta Drive, extending to FM 211 to establish a looped water system; and (2) along South Main Street to South 4th Street, and from South 2nd Street to Avenue A.

Project activities will include the replacement of existing undersized and shallow 3-inch water lines with new 6-inch water lines to improve water pressure and overall system reliability. These improvements will benefit approximately 31 residential households and 3 vacant lots and will address ongoing issues with frequent line breaks and historically low water pressure. Additional project components include street improvements along Hiracheta Drive, South 2nd Street, and Avenue A, as well as the replacement of aging water meters and associated service cutoffs throughout the project area.

. The application is available for review at New Home City Hall, PO Box 278, New Home, TX 79383 during regular business hours. Para obtener una copia en español, comuníquese con Teresa Olsen al 806-924-7514.
